07.10.2024

Ref. : The permanent affiliation being granted to the institute subject to fulfilment of eligibility as per RGUHS Permanent affiliation statutes, 1999 and other norms of the University published from time to time and subject to submission of undertaking by the college as follows before admitting the students: Date :

1. That the college will comply with all regulations prescribed under the Central Acts governing the courses run by it, and will comply with the provisions of the Act, Statutes, Ordinances, Rules and directions of the University, in matters not governed by the Regulations made by the concerned Central Act.
2. That the college will furnish such details and other information as the University or the State Government may require, so as to enable it to monitor and judge its operation towards the maintenance of the academic standards and will comply with such directions of the University or the State Government that may be issued from time to time.
3. That the composition of the Governing Council established by the Management for that college shall be as prescribed by the Central Government and /or other appropriate bodies established by the Central Acts. In respect of other colleges not governed by the provisions of any Central Act, the composition of the governing council will not ordinarily be less than 7 and more than 15 and at least one member of the Governing Council shall be a teacher representative of the said college/ institution other than the Principal and two representatives of the syndicate of RGUHS.
4. Wherever prior permission of the Central Government or prior approval of the appropriate Apex Bodies constituted under the concerned Central Act is necessary for conducting any course in the college, the college will not admit any student to such course of instruction without such prior permission.
5. That the college will impart instructions only in the subjects and the courses in the faculties for which it has been granted affiliation by the University.
6. That the number of teaching posts, qualifications and their recruitment procedure and conditions of service will be in accordance with the statutes ordinances/ rules of the University framed in accordance with the Regulations made by the concerned statutory body constituted under the Central Act and will be such as to ensure the imparting of adequate instructions to the students in the courses of studies, which are under taken by the college.

7. That the number of teaching and non-teaching staff shall be regularly and fully paid as per the pay and allowances as prescribed by the State Government/ concerned Apex Body/ University, from time to time
8. That no levy will be imposed on the teaching and non-teaching staff for meeting recurring or non recurring expenditure, general or special for extension of the college or impose cuts in their salaries for any other purpose, without the prior sanction of the Syndicate of the University.
9. The rates of tuition fee to be charged for the students will be as per the schedule approved by the Government/ University from time to time.
10. That the academic and welfare activities of backward class and SC/ST students will be properly taken care of and the special attention will be paid by the college to their problems and that it will adhere to the Statutes, Ordinances, Regulations and Government directions on reservation in this regard.
11. That the management of the college will have its accounts audited at the end of each year by a Chartered Accountant and will make available all its annual accounts and copies of audited reports to the University and the State Government for inspection. This clause is not applicable to Government colleges.
12. That all registers and records which are required to be maintained under the Regulations of the concerned Apex Body/ University will be maintained and will be made available as and when required by the University or the concerned statutory Apex Bodies.
13. That the Hospital, Laboratory, Museum etc., will have adequate safety arrangement, gas plant, proper fittings and will be provided with regular water supply, electricity and appropriate facilities for management of Biomedical wastes.
14. If after the grant of permanent affiliation, if any change takes place in the management, teaching staff pattern, and all other changes, which affect the terms and conditions of affiliation, will forthwith be reported to the Syndicate.
15. Those due provisions will, so far as circumstances permit, be made for the residence of the Principal and teaching staff near the college or institution and for hostel accommodation to the students.
16. That any scheme of provident Fund, Gratuity etc., laid down by the competent authorities will be carried out by the management.

Ref. :

Date :

17. That the teaching staff appointed in the college shall fulfil the qualifications laid down by the competent authorities as well as by the Ordinances issued by the University / Government /concerned Apex Body from time to time and that no person who has exceeded the age of 62 years will be appointed as full time teacher. However, in exceptional cases, it may be done after obtaining the prior permission of the University provided the concerned Apex Body has made a provision for such an appointment.
18. That the maximum number of students to any course will not exceed the intake fixed by the concerned Apex Body / Government / University.
19. That in the event of breach of any of the above undertakings, the security deposit made with the University may be forfeited in full or in part as deemed fit by the Syndicate and the affiliation being granted will be withdrawn.

The college shall submit the above undertaking to the University before admitting the students.
